

GO BRING DARKNESS BACK TO THE NIGHT

A SCORE-ORIENTED SINGLE-SCREEN GAME WITH THE SPIRIT OF AN ARCADE GAME FROM 1983

Decades ago, a group of monsters gathered to create Deviland Park, the most impressive amusement park ever. But after decades of living under the flashy lights, Darkula misses the feeling of running wild under the moonlight.

Tonight, he decided to remove all the light bulbs in the park to remind others of the exquisite beauty of the Moon over a dark sky. Go Darkula! Let it be a good night!
