

**"THE GAMEPLAY OF THE EARLY
ARCADES NOW UP TO FOUR PLAYERS!"**

**YOU'RE SURROUNDED BY
VERMINIAN INSECTS!**

SOS! Your space pod has been forced to land on a planet infested with giant insects from Verminest. Fight with your companions to survive waves of incoming enemies with the hope of being found by a rescue unit.

Verminian Trap is a fixed screen maze game where you must battle endless

waves of enemy bugs. It features three different game modes: Arcade, capture flags and get points first, the last two being competitive modes.

FEATURES

- » Look & feel of an arcade game from 1983.
- » From 1 to 4 players.
- » 1 cooperative and 2 competitive modes.
- » 6 arenas and unlimited enemy waves.
