

FREE THE PRYKUSA POWER PLANT FROM A SLIMEY INFECTION

AN ACTION PLATFORMER WITH THE SPIRIT OF A SEGA MASTER SYSTEM GAME

The Prykusa multi-core plant is on maximum alert. Hazardous Area Response teams 01 and 02 are missing. A biological attack has been confirmed. The hostile force has been identified as "Transdimensional ectoplasmatic slime". A special plan has been approved. Now the Demon hunter "Lime Eyes" is entering the plant.
